ABOUT WFP

The United Nations World Food Programme is the world's largest humanitarian agency fighting hunger worldwide. The mission of WFP is to help the world **achieve Zero Hunger** in our lifetimes. Every day, WFP works worldwide to ensure that no child goes to bed hungry and that the poorest and most vulnerable, particularly women and children, can access the nutritious food they need.

STANDARD MINIMUM QUALIFICATIONS

Education: Completion of secondary school education. A post-secondary certificate in the related functional area is desirable.

Language: Fluency (level C) in English and Arabic languages.

ORGANIZATIONAL CONTEXT

These jobs are found in WFP warehouses. Job holders report to the Warehouse Management Assistant/Associate or the designate. Job holders are exposed to all phases of the warehouse operations and work with minimum supervision. They may provide supervision and on-the-job training to other warehouse staff.

JOB PURPOSE

To handle receipt/dispatch and verification of commodities in order to maximise quality of warehouse operations and mitigate losses, and to support the best storage management practices in compliance with WFP warehouse standards and established guidelines.

KEY ACCOUNTABILITIES (not all-inclusive)

1. Effectively receive/dispatch commodities including transshipment (truck to truck) against official approved documentation (e.g. waybills and/or delivery notes) ensuring accuracy in physical count of commodities including the quality in compliance with the established standards.
2. Prepare, verify and sign off warehouse and transport documents, and maintain confidential files and accurate warehouse transaction records to ensure immediate reporting on commodity movements in line with the corporate requirements.
3. Conduct daily warehouse closing reconciliation and accurate inventory checks supporting internal control systems in compliance with the warehouse management requirements.
4. Perform daily inspections and prepare reports on the quantity and quality of the commodities received/dispached and handled, detect promptly and analyse reasons for stock discrepancies/damages, investigate missing quantity and prepare warehouse loss reports recommending appropriate solutions, to enable informed decision-making.
5. Implement appropriate measures to safeguard food and non-food commodities, to ensure quality control using standard preventive measures in line with WFP established procedures and authorization received from the supervisor.
6. Monitor condition of the warehouse and commodities and take appropriate actions, to support efficient warehouse space-planning and well-organized commodity storage following WFP warehouse standards.
7. Provide guidance and on-the-job training to warehouse staff to contribute to their development and high performance.

DESIRED EXPERIENCES FOR ENTRY INTO THE ROLE

- **At least three years of progressively responsible support experience in the relevant field.**
- Experience using logistics databases to extract routine reports.
- Experience in managing warehouses with food and NFIs.
- Experience in managing inventories.
- Experience in processing invoices.
